ПРИКАЗ

от 26 августа 2015 г.

№ 948

г. Калининград

**Об установлении карантинной фитосанитарной зоны
и введении карантинного фитосанитарного режима
по потивирусу шарки (оспы) слив
на территории Калининградской области**

В связи с получением информации от ФГБУ «Калининградская межобластная ветеринарная лаборатория» о выявлении при проведении карантинного фитосанитарного мониторинга насаждений плодовых культур на территории Городского округа «Город Калининград» на придомовой территории многоквартирного жилого дома, расположенного по адресу: г. Калининград, ул. Можайская 46-52, на земельном участке с кадастровым номером 39:15:150716:359 (категория – земли поселений (земли населенных пунктов), разрешенное использование – для многоэтажной застройки под многоквартирный дом) очага карантинного объекта - потивируса шарки (оспы) слив (*Plum pox potyvirus*) (заключение о карантинном фитосанитарном состоянии подкарантинного объекта от 25.08.2015 № 11850/Э7), в соответствии со статьями 18, 19 Федерального Закона от 21.07.2014 № 206-ФЗ «О карантине растений», Перечнем карантинных объектов, утвержденным приказом Министерства сельского хозяйства РФ от 15.12.2014 № 501, Правилами проведения карантинных фитосанитарных обследований, утвержденными приказом Министерства сельского хозяйства Российской Федерации от 22.04.2009 № 160, п р и к а з ы в а ю:

1. Установить карантинную фитосанитарную зону по потивирусу шарки (оспы) слив (*Plum pox potyvirus*) общей площадью 1384,74 га, включающую очаг заражения радиусом 0,1 км площадью 3,14 га и буферную зону радиусом 2 км от очага заражения площадью 1381,6 га в границах земельных участков, расположенных на территории Городского округа «Город Калининград», пос. Шоссейное Гурьевского городского округа Калининградской области согласно приложению.

2. Ввести в границах карантинной фитосанитарной зоны карантинный фитосанитарный режим, предусматривающий проведение карантинных фитосанитарных мероприятий по профилактике и борьбе с карантинным объектом - потивирусом шарки (оспы) слив (*Plum pox rotavirus*), а также мероприятий, направленных на предотвращение распространения карантинного объекта.

3. Отделу фитосанитарного и земельного надзора (О.В. Казаковой) до 27.08.2015:

- подготовить программу локализации очага карантинного объекта и ликвидации популяции карантинного объекта;

- подготовить материалы о границах карантинной фитосанитарной зоны, об установленных требованиях, о временных ограничениях, об ответственности за их нарушение и об иных условиях введения карантинного фитосанитарного режима для размещения в средствах массовой информации Калининградской области;

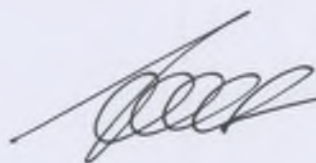

- направить сообщение об установлении карантинной фитосанитарной зоны и введению карантинного фитосанитарного режима по потивирусу шарки (оспы) слив (*Plum pox rotavirus*) с приложением копии данного приказа в Россельхознадзор;

- выдать предписание владельцам (пользователям) подкарантинных объектов, на территории которых установлена карантинная фитосанитарная зона об осуществлении карантинных фитосанитарных мер для локализации очага карантинного объекта и ликвидации популяции карантинного объекта.

4. Организационно-плановому отделу (Г.В. Берняк) до 27.08.2015 обеспечить размещение материалов в средствах массовой информации, на официальном сайте Управления, в информационно-телекоммуникационной сети «Интернет».

5. Контроль за исполнением настоящего приказа оставляю за заместителем Руководителя Денисовым Н.И.
